Cookie Policy

This Cookie Policy provides information about the use of cookies on the platform developed and maintained for researchers within the European research community.

1. What Are Cookies?

Cookies are small text files that are stored on the user's device when accessing a website. They are widely used to ensure websites function efficiently and securely, and to provide essential services.

2. Types of Cookies Used

This platform uses only **technical cookies**, which are strictly necessary for its functioning. Specifically:

Cookie's name	Time	Type of cookie	Description
csfr_ded	1 month	Required	Used to avoid cyber attack as "Cross Site Forgery Request"
my_sess	30h	Required	Use to create and keep the user session logged
sessionid	1 week	Required	Used to authenticate admin users into the Admin Panel. It keep also the users logged if still not expired

coc_ban	6 months	Required	Required to keep track of who has accepted cookie policy

These cookies **do not collect personal information** for profiling purposes and are **not** shared with third parties.

3. Cookie Duration

Cookies used on this platform may have a duration of up to **12 months**, depending on the nature of the session and security mechanisms in place.

4. Cookie Consent

In compliance with the applicable regulations, a **cookie banner** is displayed to inform users about the use of technical cookies. Since the cookies used are strictly necessary, **no consent is required**.

Users may not disable these cookies as they are essential for accessing and using the platform.

5. Updates

This Cookie Policy may be updated to reflect technical changes or legal developments. Users will be notified of significant changes through the platform.
